Our 20 x 20 album is wrapped in luxury leather and accompanied by an optional matching leather box. This is the most popular option.

You can chose from genuine leather, linen, or velvet.

Our albums are imported from Europe and are beautifully wrapped in the material of your choice. All albums include thick pages, and lay flat at the seam.

We donate 5% of your album purchase to your choice of either:

1. [World Food Program](#)
  2. [Woman's Global Empowerment Fund](#)
- or any organisation of your choice.

**\*\*Images and albums are purchased separately.**
